Fabrication and installation of sump boxes at mopani copper mines.

PRICING

Our pricing is driven by our desire to provide our clients with value for money for services and products.

QUALITY

We believe in supplying unparalleled service and products, which meet the international standards, first time every time. In line with our quest for quality, we train our employees so that their performance exceeds the expectation of our clients. If we cannot do it to the satisfaction of the customer, we will not try it.

DELIVERY

We undertake to enter into a service delivery agreement and we deliver goods not later than the delivery date on the quote.

Also, all our employees are trained to handle clients appropriately in line with our core values. This is part of our quest to ensure total compliance with regulations and procedures.

TECHNICAL CAPABILITIES

Jaxtech Enterprises Limited is capable of handling all repair jobs and supply of spares as mentioned in the business overview but not necessarily limited to just the mentioned jobs.

We repair a wide range of Hydraulic Cylinders and Pumps, Diesel Engines

PAYMENT TERMS

The payment terms are driven by the assessed risk of the client and the desire to contain price escalation.

MANAGEMENT AND STAFF

Management at Jaxtech limited prides itself with a committed, competent and motivated workforce that will drive us to be the preferred supplier/service provider in our line of work.
